Please note:

1. Dimensional tolerance: ±3% is allowed due to cutting, sewing, and handling.
2. Color Variation: Colors may vary slightly between the digital mockup and the final product. Such variation is normal and falls within commercially reasonable limits.
3. The natural neps (seed specks) are inherent, not defects. In printed areas, they may cause slight fuzz—barely visible on light colors, but appearing as light speckles on dark digital prints. For a smoother finish, other options are available.
